| <p>The 2013 Vernaccia di San Gimignano is a classic interpretation of the grape with a slightly fuller and more generous personality. The wine offers smooth tones of citrus, pear and peach. The flow is easy and slow and the wine's overall character is mellow and inviting.</p> | | | | |

About Maturity and Drink Dates: Most reviews in The Wine Advocate include a period during which the wine should ideally be consumed. We express it as a range of years (Drink Dates) and we use that range to calculate a 'Maturity' for the wine as of the current date. Maturity values are: Young - the early drink date is in the future; Early - first third of the drink date range; Mature - middle third of the range; Late - last third of the range; Old - the late drink date is in the past.
